At Accent, child safety is our highest priority.

Safety tags and devices are incorporated into the packaging and installation of our products to ensure your family is safe from loose curtain and blind cords. Our window applications are compliant with the latest Australian Competition and Consumer Commission (ACCC) Child Safety Regulations.

When choosing our products, you will have the peace of mind of knowing that they have all been manufactured and installed with your child's safety in mind.

Roller Blinds

Simple, elegant, versatile, practical and functional are just some of the adjectives that describe the Accent Roller Blind range. One of the most appealing characteristics of Roller Blinds is the simplicity of their operation and their ability to blend into any setting, allowing total flexibility. Accent Roller Blinds are available in a wide range of operating systems including Chain Operation, Dual, Linked, Motorisation and Cassette.

Motorisation

Upgrade your Rollers, Awnings and Curtains with our motorised option. Motorisation allows us to eliminate cords creating a convenient and safe environment for you and your family.

Our automated remotes allow you to control and program multiple products.

We have a range of motorised options including electrical, solar and battery operated.

Venetian Blinds

Venetian blinds offer excellent light, sun and privacy control and are available in a range of materials to suit most modern windows applications.

Basswood Venetian

If you're looking for the natural feel and warmth of timber, then Accent's Basswood Venetian range is the perfect choice. Basswood Venetians are made from plantation grown timbers. Elegant, stylish and available in a range of colours to suit your decor.

*Our Blinds are Cord Safe Compliant

Mockwood Venetian

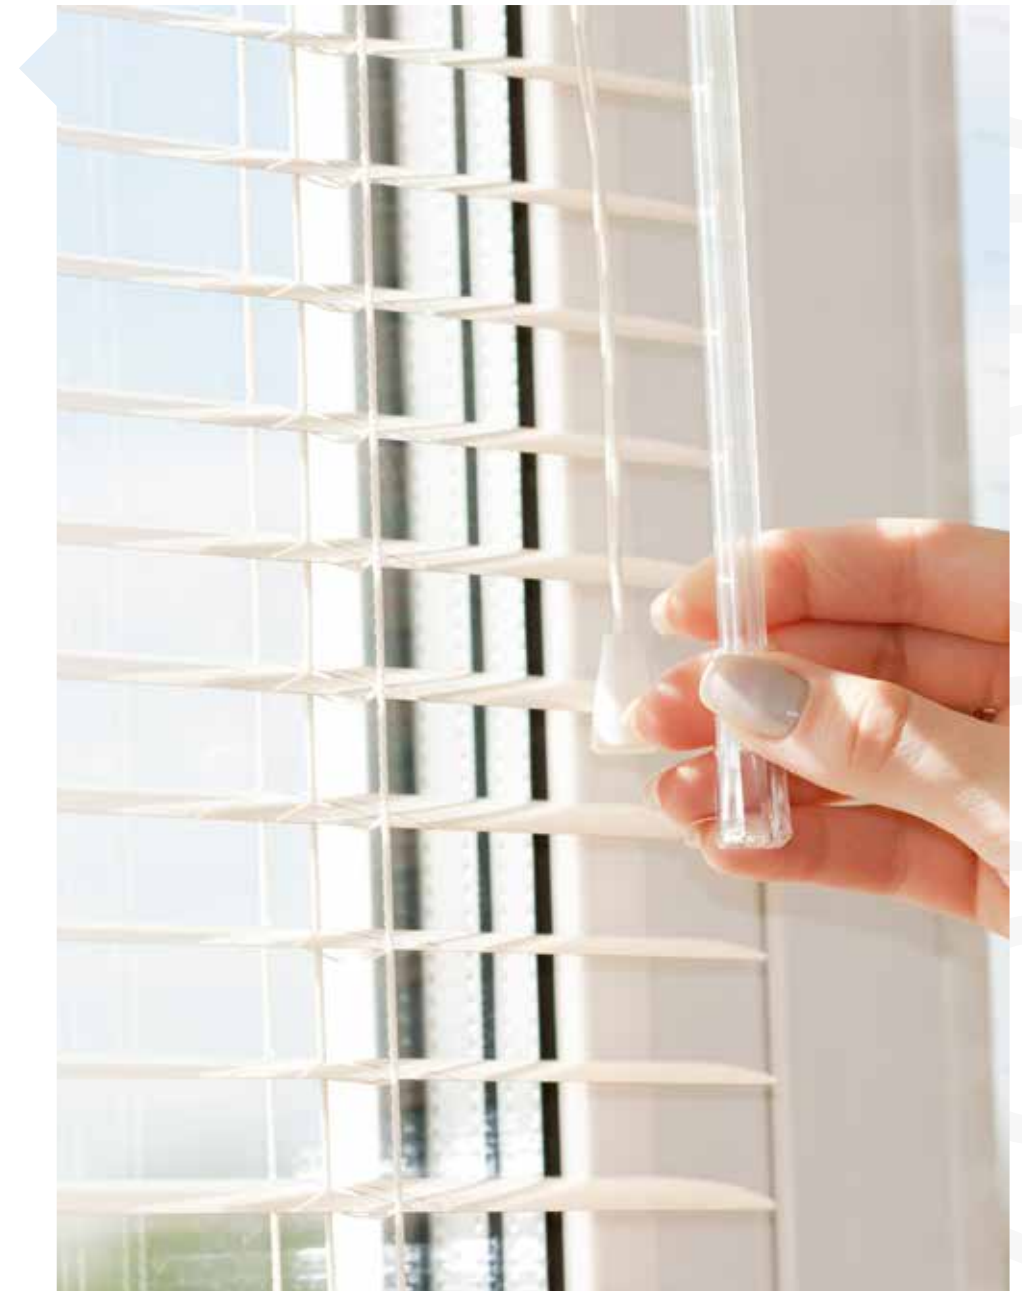

Accent's Mockwood Venetians are engineered from manmade materials to provide a practical alternative to wooden blinds. They are economical, durable and suitable for most areas in the house including wet areas such as bathrooms, kitchens and laundries.

Aluminium Venetian

Our outstanding Aluminium Venetian Blind range provides excellent light control, ventilation as well as privacy, and have proven to be a stylish addition to many modern homes.

Aluminium Venetian Blinds are available in a variety of colours with blade sizes of 25mm and 50mm depending on your preferred choice, window style and budget. Lightweight and easy to clean and operate, Accent's Aluminium Venetian Blinds will add a sleek, clean look to your home with style and elegance. All while offering great value for money.

*Our Blinds are Cord Safe Compliant

Vertical Blinds

Accent Vertical Blinds have outstanding design and style features. Designed to minimise the effects of the harsh Australian sun by effectively controlling heat and light, while offering a sleek modern design delivered to you at an affordable price. A full range of options are available including a choice of blade sizes with chain, chainless or fully sewn in weights.

Linear Pellets are an optional extra

Vertical

Panel Glides

With a slim design and sleek lines Accent Panel Glide Blinds create a look of elegance in any room. Panel Glides are especially suitable for doors and large window openings, pulling back to allow for easy access. Designed with fabric panels that are attached to a simple but strong carriage and track system, allowing for an easy glide operation.

Veri Shades

Veri Shades are the ultimate luxury in window coverings. The latest revolutionary window furnishing range which combines the elegant soft style of curtains with the sophisticated versatility of blinds.

The unique patented design is made from a soft, yet durable fabric that hangs luxuriously like curtains, while the supple folds operate like blinds to provide privacy, superior light filtering and airflow control.

There are no weights or chains to worry about, so you can walk through Veri Shades freely – whether they're open or closed. Their versatility, functionality, durability, easy care low maintenance and chic classy styling make them perfect for any home or office environment. The two sided individual folds transition from translucent to opaque at the simple turn of a wand.

Curtains

Your new curtains from Accent will be crafted to reflect both your sense of style and your individuality. Our curtains are available in a wide range of fabrics that will inspire you and incorporate the latest colour trends and designs from around the world. From classic to contemporary, country and urban living, Accent soft furnishings can complete your interior window fashion statement with a truly superior range of beautiful products.

Honeycomb Shades

Accent's Honeycomb Shades are elegant, stylish and functional. The pleated Honeycomb like cell will not only enhance your home decor but also provide you with exceptional heat insulation, light control and sound absorption.

*Our Blinds are Cord Safe Compliant

These Honeycomb products provide a high level of energy efficiency by trapping the air within the cellular structure, which results in a cooler room in the summer and a warmer room in the winter.

Plantation Shutters

The timeless elegance of Accent's Plantation Shutter range combined with their functionality has led to an increase in popularity for this classic window covering product.

Plantation Shutters offer style and durability, complementing any window in a most distinguished fashion. Plantation Shutters are considered by many to be the ultimate expression of classic window furnishing design.

Shutter Range

PVC Shutter

PVC Shuttles have significantly increased in popularity over the last few years. With competitive pricing, durability and versatility, PVC Shuttles are hard to beat for all internal applications.

Aluminium Shutter

Create and control with Accent Aluminium Shutters. Our Aluminium Shutters have been designed as a modern, functional Shutter which is aesthetically appealing for exterior use.

Whilst being durable and maintenance free, Accent's Aluminium Shutters will add style to your home.

Awnings

For nearly 30 years Accent Blinds have been providing quality products to enhance the appearance of thousands of homes around Australia. Accent Awnings are the optimum external window covering solution. With reductions of up to 75% of solar heat, your home will be cooler in the summer reducing the need to use internal home cooling. As well as controlling heat, awnings are a great way to control light and glare, offering shade while also ensuring privacy and adding style to your homes outdoor landscape. A large range of styles are available with the option of motorisation, along with sun and wind sensors.

Awnings Range

Straight Drop Awnings

Straight Drop Awnings allows you to use your patio when the weather's not what you expected. Imagine sitting down to a wonderful barbecue dinner, and the fickle Sydney weather changes. Instead of shifting the whole setup, simply lower your Straight Drop Awnings and keep the worst of the weather at bay, while still enjoying the view and freshness of eating outdoors.

Folding Arm Awnings

Our folding arm awnings are designed & manufactured to control harmful UV rays and glare. Retractable awnings can provide a roll away cover for your outdoor entertainment area, be it a patio, deck, or balcony.

Pivot Arm Awnings

Pivot arm awnings are especially good as external window coverings. They are designed to protect your rooms from heating up too quickly during the day. Our Pivot Arm Awning range are characterised by the functionality of the pivot like motion.

Dutch Hood Awnings

Dutch Hood Awnings are suitable for doorways or smaller windows, to which you may like to add a bit of style and flair.

Choosing the correct Fitting options will complete the look of your awning.

Canvas Awnings

Accent's Canvas Awnings act like external blinds for your windows and outdoor areas. Our Awnings are specifically designed to extend shade to areas that need it most.

Wire Guide Awnings

Our stainless steel Wire Guide Awnings secures the fabric into position awning to slide up and down easily with a very close fit. The cables are 316 marine grade, making them ideal for coastal areas.

Zipscreen Awnings

Specially designed for alfresco entertaining areas such as pergolas, verandas, and balconies. The Zipscreen Awnings offer privacy and protection from the sun, wind, rain, and insects all year round.
